

Associates and the SNJM Charism

We are persons who desire
to deepen our Christian life and
add a particular spiritual color
to our baptismal commitment.

Single or married, women or men,
we are attracted
by a genuine woman, Mother Marie-Rose.
We are invited to share and become
witnesses to the SNJM charism.

According to our capabilities, we collaborate
in the mission of the Congregation
for education in the faith and the promotion of justice
at the heart of our world.

We participate in SNJM meetings for renewal,
sharing and prayer
with the SNJM Sisters and other Associates.

The bond of SNJM Associates precludes any canonical and financial obligations with the Congregation of the Sisters of the Holy Names of Jesus and Mary.
