These questions went with it for this group presentation:

1. What next steps do you think can be taken to further the Mission and Charism through an Associate Community?
2. How would you articulate or write down your vision of an Associate Community?
3. What is needed to make your vision a reality?

Below is the link to Carol Zinn's presentation at the meeting of the PLT, ACC, LALs and all Associates in 2020. (It is about two hours long, with a break midway.)
