

We're Better Together at SNJM! Diversity, Equity & Inclusion

The Sisters of the Holy Names of Jesus and Mary are dedicated to the full development of the human person through education, social justice, contemplation, and the arts. Our staff, through their work, live out this vision in support of the Sisters, their mission and their ministries.

SNJM is committed to continually building a workplace that exemplifies the Sisters commitment to justice and is a welcoming place for all. We value differences, seek understanding and treat one another with dignity. We strive to foster a workplace where each employee feels empowered to bring their fully authentic selves to work and where these diverse voices and lived experiences of our employees are celebrated.
